

The NICCC is an eclectic club in that members have cars, trucks, rat rods, originals, restored, and customs. Anyone with an interest in classic cars, more so if they live in Northern Idaho, should consider getting acquainted with the NICCC by attending one of their events or meetings, or getting acquainted when you see them at a local car show. They are a club that exhibits the best attributes within the local car enthusiast community and a group of very nice people. Check them out. – Rocky Gibbs and Pam Stotts.

*Our thanks to the NICCC members for their assistance in preparing this article, and to member Cliff Fender for his assistance with the historical facts of the club.*

A few photos from the 2018 River City Rod Run
