

The Washington State Hot Rod Hall of Fame is a Non Profit organization ran by volunteers. We need sponsorship for various aspects of our non-profit. We need money to help us keep the cost of the annual banquet down. We currently and have in the past been able to keep our expenses down to keep the price of the banquet at \$50.00 per person. This amount pays for the dinner as well as the use of the facility, the podium, stage and audio/video. Sponsorship also pays for the jackets awarded to the inductees. We also have the following expenses: website, various event tickets, art supplies for the art raffle that the proceeds are given to a chosen childrens' charity.

We honor businesses, individuals and students in the automotive field.

We are in need of sponsors for the following:

An individual is awarded this scholarship with your company name or your name on it. You or your representative may present the scholarship, or we will for you at the annual banquet. Your company name, logo and website will be featured on our website and on the powerpoint the night of the banquet. If your company has a banner, you may hang it in the banquet area. If you need a table at the event for your display, we will arrange one for you.

Without your sponsorship, we would not be able to have this banquet. We greatly appreciate your support.

Scholarship	\$2000.00
Presenting	Negotiable
Diamond	\$2500 and up
Platinum	\$1000 and up
Gold	\$500 and up
Silver	\$250 and up
